Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Source: official meet printout (dot-matrix; bib numbers, grades, team places and points; times to whole seconds only, so no hundredths are available for this year). The printout says 'Held at Schaumburg H.S.' (the host school); the race was run at Busse Woods. The printout does not state the distance; 3.0 miles is shown, as in other years. All 20 team scores match the printout's team standings. The 5 qualifying teams (Schaumburg, New Trier, Libertyville, Prospect, Palatine) follow the standings, and the 7 individual qualifiers (Joyce, Cornelius, Agrawal, Smith, Gaerke, Fridell, Cavey) are the runners marked on the printout; all of them ran at the 1992 Class AA state meet (Athletic.net results). Grades are as printed and agree with the 1992 state meet results and the 1993–1995 sheets, except Weert Goldenstein (Elgin) and Pat Arsenault (Dundee-Crown), printed as a junior and a senior but shown as a sophomore and a junior because the 1993 article and state results list them as a junior and a senior. Spellings corrected to match later sheets: Jeremy Arndt (printed Jeremey), Jon Chermak (printed John), Jose Desarden (printed Joey Desardens). Kept as printed: Chas Berckmann, Eric Dieckmann, Chad Jorgenson, Steve Sponk (Spronk in 1994).
