Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Source: official meet printout (dot-matrix; bib numbers, grades, team places and points; times to whole seconds only, so no hundredths are available for this year). The printout says 'Held at Schaumburg H.S.' (the host school); the race was run at Busse Woods. The printout has no team standings page or distance; the team scores are from the Daily Herald box score (October 31, 1993), and all 20 match the scores recomputed from the printout. 3.0 miles is shown, as in other years. The 5 qualifying teams (Crystal Lake Central, Waukegan, Schaumburg, Prospect, Palatine) and the 7 individual qualifiers (Willgress, Agrawal, Leffelman, Inkman, Goldenstein, Garbacz, Arsenault) are confirmed by the Daily Herald and the 1993 state meet results; Highland Park and Dundee-Crown tied at 226 for 9th. Grades are as printed and agree with the 1992 and 1994–1996 sheets, except Mike Inkman (Libertyville), printed as a junior but shown as a sophomore per the Daily Herald article and the 1993 state results. Kevin Huber (Palatine) is printed as a senior, as in the 1993 state results, but he is a sophomore in 1992 and also a senior in 1994; Scott Sheehan (Dundee-Crown) is printed as a senior here and in 1992. Both are left as printed. Spellings follow the other sheets: Andrew Willgress (printed Willgrass), Mike Inkman (printed Michel), Rick Wiitanen (printed Wittanen), Jose Desarden (printed Joey), Chad Jorgensen (printed Jorgonson), Matt Zoepel (printed Zopel), Jordan and Jeremy Dubow (printed DuBow), Brian DeRue.
