Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Source: official meet printout (bib numbers, grades, schools, team places; times to whole seconds only, so no hundredths are available for this year). All 20 team scores match the printout's team summary; Carmel and Crystal Lake South tied at 447 and are both listed 17th on the printout; here Crystal Lake South is placed ahead on the sixth-runner tiebreaker (132nd vs. 139th team place). The 5 qualifying teams (Wheeling, Schaumburg, Maine West, Evanston, Conant) and the 7 individual qualifiers marked I.Q. on the printout are confirmed by the IHSA 1998-99 Class AA state final qualifier list. Grades are as printed and agree with that list and the 1999–2000 sheets, except Nick Alajakis (Waukegan), printed as a senior but shown as a junior because he ran as a senior in 1999. Spellings corrected from the printout: Paul Kulisek (printed Kulisak), Brian Rohrbacher (name cut off), Eric Dorsch (printed Erick). John Gallagher is listed with Libertyville and scores for them; he appears to have transferred to Highland Park, where he ran in 1999 and 2000. Graig Kocher is spelled as on both the printout and the IHSA list.
