Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Transcribed from the faxed dot-matrix printout (place, bib, name, grade, school, time). Part of one name (bib 267, Lake Forest, listed here as Amy Seldon) is smudged and could not be read with certainty. Grades are as printed; the IHSA online archive does not cover 1992, so they were checked for consistency against the 1993–1996 printouts. Teams were scored by standard cross country rules (individuals removed, top five score, 6th and 7th runners displace); the recomputed scores match the printed team results for all 20 scoring teams.
