Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Transcribed from the faxed dot-matrix printout (place, bib, name, grade, school, time). Grades are as printed and were checked for consistency against the 1992–1996 printouts (the IHSA online archive does not cover 1993). Kathy Troxel (Waukegan) is listed as a junior here but as a senior in 1995; both are left as printed. Teams were scored by standard cross country rules (individuals removed, top five score, 6th and 7th runners displace); the recomputed scores match the printed team results for all 20 scoring teams.
