Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Transcribed from the printed results (place, bib, name, grade, school, time). Grades were checked against the IHSA 1996 state final results and the 1995/1997 printouts; Katie Nische (Fremd) is shown as a junior: the printout lists her as a freshman, but the 1994 and 1995 printouts and the IHSA state results place her as a junior in 1996. Runners from schools with fewer than five finishers are shown as individuals, as on the printout. Teams were scored by standard cross country rules (individuals removed, top five score, 6th and 7th runners displace); the recomputed scores match the printed team results for all 20 scoring teams.
