Columns 1–5 show team scoring places; (6) and (7) are displacers and do not count toward the team score. Teams highlighted in green qualified for the state meet. Teams with equal scores are shown as tied, as in the official results.

About these results. Transcribed from the printed results (place, bib, name, grade, school, time). Grades were checked against the IHSA 1998 state final results and the 1997/1999 printouts. Fremd and Lake Park tied at 167 and are both shown in 3rd, as printed. Teams were scored by standard cross country rules (individuals removed, top five score, 6th and 7th runners displace); the recomputed scores match the printed team results for all 20 scoring teams.
